Abu, 90 lakh ka plan: har mahine munafa, asal raqam mehfooz

Mera maqsad hai ke 90 lakh rupay (Rs 9,000,000) aisi jagah lagayen jahan se har mahine munafa mile jo hum kharch kar saken, aur asal raqam aasani se nikal na saken. Maine banks, National Savings aur mutual funds ke latest rates dekhe hain. Neeche poora hisaab, documents aur links hain.

MUKHTASAR

≈ Rs 72,000
har mahine, tax ke baad (agar hum tax filer hain)

12.12%
National Savings RIC ka rate, 21 Oct 2026 se

Meri raye: **60 lakh National Savings ke Regular Income Certificate (RIC) mein**, 20 lakh do banks mein monthly profit term deposit mein, aur 10 lakh emergency ke liye aasani se nikalne wali jagah par.

1. Meri tajweez

HISSA	RAQAM	KAHAN	RATE	MAHANA (TAX KE BAAD)
Mehfooz hissa	60 lakh	National Savings RIC (ya Sharia ke liye Sarwa Islamic Term Account)	12.12%	Rs 51,510
Banks mein	20 lakh	Do banks mein 10-10 lakh monthly profit term deposit (jaise Bank AL Habib, JS Bank)	≈ 10.5%	Rs 14,000
Emergency	10 lakh	Alag bank ka savings account ya money market fund	≈ 10-11%	Rs 6,700
Kul	**90 lakh**			**≈ Rs 72,200**

Hisaab: National Savings par 15% tax, bank profit par 20% tax (filer ke liye). Agar hum tax filer nahi hain to mahana income lagbhag Rs 58,000 reh jaati hai, is liye pehle filer banna faida mand hai.

Agar poora paisa sirf RIC mein lagayen to gross Rs 90,900, tax ke baad lagbhag Rs 77,300 banta hai. Lekin phir emergency ke liye kuch nahi bachta aur sab kuch ek hi jagah hota hai, is liye main isay nahi chunta.

2. National Savings RIC: kyun sab se pehle

- Hukumat-e-Pakistan ka product (CDNS), is liye credit risk bohat kam.
- **Rate 12.12%**: Rs 1,010 har mahine per Rs 1,00,000 (21 Oct 2026 se). Pehle yeh Rs 980 tha.
- Muddat 5 saal. Profit har mahine milta hai.
- Kam az kam Rs 50,000. **Official page par koi zyada se zyada limit nahi likhi.**
- Certificate ki denominations: 50 hazar, 1 lakh, 5 lakh, 10 lakh, 50 lakh, 1 crore.
- **Zakat kat'ti nahi** RIC par.
- Tax: filer par 15%, non-filer par 30%, profit se hi kat jata hai.
- Joint holding mumkin hai (Joint-A: dono ke saath, Joint-B: koi ek).
- **Jaldi nikalne ki saza** (face value par charge): 1 saal se pehle 2%, 2 saal se pehle 1.5%, 3 saal se pehle 1%, 4 saal se pehle 0.5%, 4 saal ke baad koi charge nahi. Yehi hamari "restriction" hai.

Dhyan: mujhe official source mein un banks ki list nahi mili jo RIC bechte hain. Official page sirf yeh kehta hai ke RIC National Savings Centre, mujaz scheduled bank branches aur SBP se milta hai. Sab se pakka tareeqa National Savings Centre jana hai, ya helpline **(051) 111 267 268** par poochna hai.

Aik hi certificate ke bajaye kai certificate

60 lakh ko kai certificates mein baantna behtar hai (misal ke taur par 50 lakh + 10 lakh). Phir zaroorat par sirf ek certificate tor kar paisa nikalen, baqi chalta rahe.

Agar Sharia ke mutabiq chahiye

National Savings ka **Sarwa Islamic Term Account** 11.84% se 12.12% (expected) deta hai. Yeh kahan se milta hai, is ki current list mujhe nahi mili, to CDNS se confirm karna hoga.

3. Banks: monthly profit term deposit

Mahana profit wale deposits ke saalana rates (Pakera, 6-7 Oct 2026 ke bank rate sheets).

BANK	1 SAAL	3 SAAL	5 SAAL	KAM AZ KAM
Bank AL Habib (Mahana Munafa)	10.75%	9.75%	9.50%	Rs 25,000
JS Bank	10.25%	9.90%	9.94%	nahi likha
HBL Advantage Plus	10.20%	8.85%	9.03%	Rs 25,000
Allied Bank	10.00%	nahi diya	7.60%	nahi likha
Bank Alfalah (10 lakh+)	9.90%	9.65%	9.75%	nahi likha
UBL Mahana Aamdani	9.00%	nahi diya	6.75%	nahi likha
MCB	6.90%	nahi diya	6.96%	nahi likha

Allied, UBL aur MCB ke figures source mein aik jumle mein diye gaye the, maine unhe tarteeb se bank ke saath milaya hai.

Jaldi nikalne par

Har bank ka apna usool hai. HBL kai rates mein se sab se kam deta hai, jin mein ek "mukammal ho chuki muddat ka rate minus 1%" hai. Bank AL Habib mukammal ho chuki muddat ka rate deta hai. Baaqi banks ke baare mein mujhe tafseel nahi mili, branch se poochna hoga.

Meezan Bank (Sharia ke liye)

September 2026 ke declared rates: 1 saal ka certificate **9.18% mahana** payout (maturity par 9.56%), Monthly Mudarabah Certificate 7.12%, savings account 6.63%. Islamic banks mahina khatam hone ke baad profit declare karte hain, is liye rate pehle se tay nahi hota. RIC aur Bank AL Habib ke muqable mein yeh kam hai, is liye main isay sirf tab chunta hoon jab Islamic bank ki zaroorat ho.

Deposit ki hifazat

State ki taraf se deposit protection sirf **Rs 10 lakh per depositor per bank** hai (SBP, 10 June 2026). Is liye hum ek bank mein 10 lakh se zyada nahi rakhna chahte.

4. Mutual funds

PakFinance, data 20 Oct 2026. MUFAP ki apni site khul nahi saki, is liye yeh baad mein

confirm karni hogi.

FUND	QISM	1 SAAL KA RETURN
Alfalah Money Market Fund II	Money market	11.2%
AWT Islamic Money Market Fund	Islamic money market	11.1%
Atlas Islamic Money Market Fund	Islamic money market	11.0%
Pak Qatar Daily Dividend Plan	Islamic money market	11.0%
AKD Cash Fund	Money market	11.0%
Pakistan Income Fund	Income fund	17.4%
NIT Income Fund	Income fund	15.6%

Dhyan: mutual funds par return pakka nahi, deposit protection nahi, aur paisa kabhi bhi nikala ja sakta hai. Is liye yeh humare "paisa lock rakhna" wale maqsad se takrata hai. Income funds ki value neeche bhi ja sakti hai. Mujhe fees, minimum raqam, mahana payout aur tax ki tafseel nahi mili.

Meri raye: money market fund sirf 10 lakh ke emergency hisse ke liye, mehfooz hisse ke liye nahi.

5. Tax

- **National Savings:** filer 15%, non-filer 30% (CDNS ki official site).
- **Bank deposit:** khabron ke mutabiq filer 20%, non-filer 40%. Finance Act 2026 ke aakhri rates mujhe confirm nahi huay, is liye tax advisor se poochna chahiye.
- Filer hona (Active Taxpayer List mein hona) income par bara farq daalta hai.

6. Documents

National Savings (official)

- CNIC ki copy
- Form SC-1 (free, centre par ya download)
- Overseas Pakistani ho to NICOP ya POC
- Raqam: cash, cheque, draft ya pay-order

Banks tasdeeq baqi

- CNIC aur tax status / NTN
- Photo aur pata ka saboot
- Nominee ki tafseel
- Paisa kahan se aaya, is ka saboot (bank statement, jaidad ki farokht ka kaghaz, salary slip)

Yeh aam tareeqa hai, kisi bank ke page se confirm nahi hua. Branch se checklist le len.

7. Kaise shuru karein

1. Check karein ke hum Active Taxpayer List (filer) mein hain, nahi hain to pehle woh theek karein.
2. Helpline (051) 111 267 268 par ya nazdeeki National Savings Centre par pooch len: RIC ka rate aaj kya hai, kitni raqam ek din mein li jati hai, aur kya rate 5 saal ke liye fix rehta hai.
3. 60 lakh ke kai RIC certificates bana len.
4. Do banks mein 10-10 lakh ka monthly profit term deposit kholen, aur pooch len ke profit kis tareekh ko aata hai.
5. Monthly profit ek alag account mein aaye, aur kharch sirf wahan se ho.
6. Baqi 10 lakh alag bank ke savings account ya money market fund mein rakhen.

8. Branch se yeh sawal zaroor poochen

- Kya RIC ka rate 5 saal ke liye fix hai?
- Aik din mein kitni raqam ka certificate milta hai, aur kya pehle se bata'na parta hai?
- Har bank mein profit ki tareekh, rate fixed hai ya nahi, aur jaldi nikalne ka formula.
- Hamare tax status par bank profit par aakhri tax rate.

Zaroori baat: yeh rates 21 October 2026 tak ke hain aur aksar badalte rehte hain. Kuch figures blogs se liye gaye hain, aur jahan "tasdeeq baqi" likha hai woh mujhe kisi official page se confirm nahi hua. Paisa lagane se pehle har bank aur National Savings Centre se aaj ka rate aur shartein khud confirm karen. Yeh maali mashwara nahi, meri apni research aur tajweez hai.
